

Dear Friends:

The Reservoir Volunteer Fire Department is proud to present the Second Annual Reservoir Fire Fest, June 15 and 16, 2007, in Brandon, Mississippi, with the parade being on June 16. This event will feature the Scott Firefighter Challenge and a firemen's parade.

The firefighter's parade will display fire and rescue apparatus from all over Mississippi as well as other states. Invitations are being sent to over 700 fire departments, including yours.

The Scott Firefighter Challenge will be a preliminary event toward the World Championship, which appears on ESPN. For more information on the event, or if you would like to enter individuals or a team in the challenge, logon to www.reservoirfire.com/firefest.htm and follow the links.

Reservoir Fire Fest will also feature food vendors and children's activities in a clean, family environment.

All entries will be judged exclusively during the parade lineup. Judging criteria will be based upon appearance of the apparatus, equipment, and personnel. Judging will begin at 7 a.m. on the morning of the parade and will end at 9:30 a.m. It is imperative that your truck be in the lineup between those times to be judged.

After the parade, we ask that all personnel stay and spend the day to see the challenge, and to allow the public to view your department's truck.

This event will take place **rain or shine**. All entries must be returned by **June 1** to:

**Reservoir Volunteer Fire Department
2232 Spillway Road
Brandon, MS 39047**
